

190 Deluxe

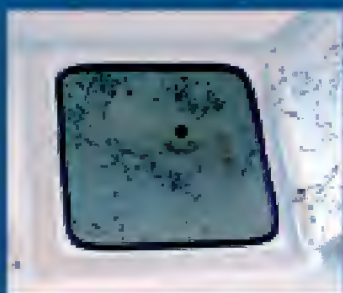

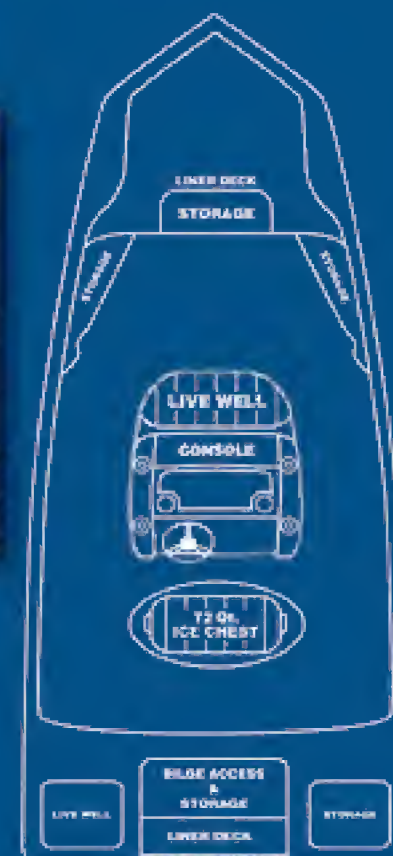

The 190 Deluxe has the same proven Blue Wave Classic hull design that will plane fast and run shallow. This deluxe model comes equipped with outstanding features such as a port livewell, front casting deck with angleboxes and an extended rear casting deck. A step up from the traditional classic series, the 190 Deluxe offers a cosmetic finish on both the front and back decks that gives it a unique look and feel without losing any of the quality Blue Wave is known for.
